The Zimbabwe Football Association (ZIFA) acknowledges receipt of correspondence regarding the reported withdrawal of Sheasham Football Club from the Central Region Soccer League (CRSL).

Following a review of the matter, the Association advises that Sheasham Football Club remains a member of the Central Region Soccer League until the issue has been amicably resolved through the proper processes.

ZIFA further reminds all regional affiliates that any grievances or disputes arising within their jurisdictions should be addressed through the established legal and procedural frameworks of their respective leagues. Only after all regional mechanisms have been fully exhausted should matters be escalated to the Association for further consideration.
