## FOR IMMEDIATE RELEASE: ADDENDUM TO WARRIORS PROVISIONAL AFCON SQUAD

The Zimbabwe Football Association (ZIFA) wishes to inform the public, media stakeholders, and the football fraternity that the Warriors technical team, led by Head Coach Marian 'Mario' Marinica, has made additional selections to the provisional squad for the upcoming AFCON 2025 preparations.

Following ongoing assessments and monitoring of player performances, the technical team has identified the need to broaden the pool in specific positions. As such, four (4) additional players have been added to the provisional list initially announced earlier today.

The additional players are:

1. Ishmael Nyanhi
2. Wilfred Madzungu
3. Junior Jarrison Selemani
4. Genius Hute

These players join the previously announced 51-man provisional squad, bringing the total to 55 players.

ZIFA remains committed to transparency and will continue to update the nation as the Warriors intensify their preparations for AFCON 2025.
