

## ZIFA ELECTORAL COMMITTEE - Public Notice – Correction of Published Candidate Lists

**13 February 2026**

The ZIFA Electoral Committee wishes to advise all football stakeholders, clubs, member associations, the media, and the general public of one important correction to the candidate list that was previously published as part of the ZIFA Members' Elections process.

### **1. Correction – Mashonaland Central Province Candidates**

In the earlier published list for Mashonaland Central Province, Mr Francis Dzenga was incorrectly listed as a candidate for Mashonaland West Province.

Following verification of his nomination documents, it has been confirmed that Mr Francis Dzenga was duly nominated for the position of Board Member for the Mashonaland Central Province, not Mashonaland West. The Electoral Committee sincerely apologises to Mr Dzenga and the Mashonaland Central football community for this administrative error and any inconvenience caused. The corrected Mashonaland Central Province list is included below under Annexure HP-1.
